

Golf is a game to be played for a lifetime, so get your kids enrolled in our summer junior golf program here at Westfield. We teach kids the proper etiquette and technique needed to “jumpstart” them into a future of playing proper golf by teaching principles involving putting, chipping, the full swing, as well as the rules of golf. This program will be both educational and fun, and we will always stress safety. Kids will be given instruction as well as play golf on the course with an instructor during each session. Below is the criteria for our summer junior golf program:

DATES: (6 weeks) Every Wednesday
From June 22nd – July 27th

TIME: 8-9:30 (3rd – 5th Graders)
9:30 – 11 (6th – 8th Graders)

COST: \$45/child

Give your child the opportunity to discover the game of golf—it will be a decision you will never regret. Please stop in to the Westfield Pro Shop or call 452-6901 to sign up your child today!
