

Westfield Junior Golf Summer Program 2018

The Westfield GC Junior Golf Program is designed for junior golfers of all ages and abilities, but primary focus is on juniors who are new to the game of golf. During the program, we will start out with a few instruction days at the Westfield Driving range. These instruction days are run by PGA Professional, Brian Paulson, and some volunteer assistants. We will work from the hole back towards the tee box during the instruction days. We start with putting, then possibly chipping, then short irons, middle irons, longer irons-hybrids-and fairways, and ending with drivers. Focus is to have the kids understand that there is one basic swing for all clubs in the bag. We stress grip, stance, posture, and alignment for everyone, but especially beginning golfers. We will then take the kids onto a hole at Westfield to show them what the basics are of a hole (*Tee ground, fairway, rough, hazards, and green.*) We stress proper fundamentals, but also proper etiquette and good sportsmanship. We will have little contests during the instruction days do have some fun and measure how the kids are progressing. Instruction days have two waves: **9:00am to 10am and 10:30am to 11:30am**. (We can handle around 20-25 kids in each session. If I have to add another session, I will consider that later, but only if we over-fill with kids.) I try to take younger ones in the first session and older ones in the second session, but I also understand that there are some scheduling conflicts and issues with the kids other activities. We try to do our best to accommodate. **THE PROGRAM IS..... FREE!!!**

Instruction days: (9:00am OR 10:30am): (Group Instruction)

Monday, June 11, (Meet at Pro Shop)

Monday, June 18, (Range)

Monday, June 25, (Range)

Wednesday, June 13, (Range)

Wednesday, June 20, (Range)

Wednesday, June 27 (Range)

(The only reason we would ever meet on a Friday would be a rain-day make-up.)

After the instruction days are over, we will take a small break for the 4th of July Holiday, and then have the kids assemble at the golf course starting at **8:00am** on **Monday, July 9th**. During this time, the kids will be able to play golf in groups of their own making. I am opening up the tee sheet from **8:00am through 9:15am** each Monday and Wednesday Morning until Monday, July 30th. (**Monday, July 30th will be the final day for the program for 2018.**)

During the course time, we will have volunteer supervisors with those groups that need it. Some kids will be teeing off from the 200 yard marker, others from the Red tee markers, other kids from the 150 yard markers. There is no competition, this is just fun golf time where the juniors have their own space in the morning to get acclimated and accustomed to the golf course. (*For those who remember, it will be more like the old Park Rec golf time of years ago.*)

AGAIN.... THIS PLAY/COURSE TIME IS ALSO..... FREE!!!!
