

Westfield Junior Golf Summer Program 2025

The Westfield GC Junior Golf Program is designed for junior golfers of all ages and abilities, but the primary focus is on juniors who are new to the game of golf. During the program, we will start out with a few instruction days at the Westfield Driving range. These instruction days are run by PGA Professional, Brian Paulson, and some volunteer assistants. We will work from the hole, back towards the tee box, during the instruction days. We start with putting, then possibly chipping, then short Irons, middle Irons, longer Irons-Hybrids-and Fairways, and ending with Drivers and some Rules. Focus is to have the kids understand that there is one basic swing for all clubs in the bag. We stress grip, stance, posture, and alignment for everyone, but especially beginning golfers. We will then take the kids onto a Hole at Westfield to show them what the basics are of a golf Hole (*Tee ground, fairway, rough, hazards, and green.*) We stress proper fundamentals, but also proper etiquette and good sportsmanship. We will have little contests during the instruction days to have some fun and measure how the kids are progressing. Instruction days have two waves: **9:00am to 10am and 10:30am to 11:30am.** (We can handle around 30-35 kids in each session. If I must add another session, I will consider that later, but only if we massively over-fill with kids.) I try to take younger ones in the first session and older ones in the second session, but I also understand that there are some scheduling conflicts and issues with the kids' other activities. We try to do our best to accommodate.

THE PROGRAM IS..... FREE TO ATTEND AND PARTICIPATE!!!

Between the days of July 1st and July 6th, we will take a small break for the 4th of July Holiday. We will have a refresher session on Monday, July 7th. Wednesday, July 9th we will start playing, having the kids (who can make it) assemble at the golf course starting at **8:00am** on **Wednesday, July 15th**. During this time, the kids will be able to play golf in groups of their own making. I block off the tee sheet from **8:00am through 9:24am** each Monday and Wednesday Morning until Wednesday, July 30th.

(Wednesday, JULY 30th will be the final day for the program for 2025. In the past we've ended with a food party in the restaurant. More info on that later as we get closer.)

During the course time, we will have volunteer supervisors with those groups that need it. We will have a modified set of Junior Tees marked to keep play moving, others from the 200yd markers, other kids from the 150yd markers. There is no competition, this is just fun golf time where the juniors have their own space in the morning to get acclimated and accustomed to the golf course. (*For those who remember, it will be more like the old Park-Rec golf time of years ago.*)

AGAIN.... THIS PLAY/GOLF COURSE TIME IS ALSO..... FREE!!!!
